VERSIÓN PÚBLICA

(1) Eliminado. Clave Única de Registro de Población.

Fundamentación: artículos 3 fracciones IX, XII, 122, 132, 143 fracción I y 149 de la Ley de Transparencia y Acceso a la Información Pública del Estado de México y Municipios así como los artículos 4º fracciones XI y XVI, 15º y 40º de la Ley de Protección de Datos Personales en Posesión de Sujetos Obligados del Estado de México y Municipios, y demás disposiciones relativas y aplicables vigentes.

Motivación. El Registro Nacional de Población tiene como finalidad registrar a cada una de las personas que integran la población del país, con los datos que permitan certificar y acreditar fehacientemente su identidad. Al incorporar a una persona en el Registro Nacional de Población, se le asignará una clave que se denominará Clave Única de Registro de Población. Al integrarse la CURP por datos que únicamente le atañen a un particular como son su fecha de nacimiento, su nombre y apellidos, y lugar de nacimiento, es información que lo distingue plenamente del resto de los habitantes. En ese sentido, la CURP se considera información clasificada como confidencial, atendiendo al acuerdo de clasificación UAEM/CI/CIC/0036/19.

(2) Eliminado. Registro Federal de Contribuyentes RFC.

Fundamentación: artículos 3 fracciones IX, XII, 122, 132, 143 fracción I y 149 de la Ley de Transparencia y Acceso a la Información Pública del Estado de México y Municipios así como los artículos 2º, 4º fracciones II y XI y 40 de la Ley de Protección de Datos Personales en Posesión de Sujetos Obligados del Estado de México y Municipios.

Motivación: Para su obtención es necesario previamente acreditar con datos fehacientes el nombre de la persona, su fecha de nacimiento, entre otros; lo anterior a través de documentos oficiales como el pasaporte y el acta de nacimiento. La cédula del registro federal de contribuyentes es el comprobante que otorga la Secretaría de Hacienda y Crédito Público a través del Servicio de Administración Tributaria a las personas físicas y morales que se encuentran inscritas como contribuyentes en nuestro país. Asimismo el código de respuesta rápida o QR, por sus siglas en inglés, es un módulo de almacenamiento de datos por medio de puntos o código de barra bidimensional, el cual permite leer los datos codificados por medio de un software de libre uso instalado en cualquier equipo de cómputo, tableta o smartphone. A partir del año 2011 a los contribuyentes que optan por emitir comprobantes impresos en papel, se les asigna un código de barra bidimensional con la finalidad de que aquellos clientes que tengan en su poder algún comprobante fiscal puedan verificar entre otros datos el RFC del contribuyente. La homoclave del registro federal de contribuyentes, la cual es única e irrepetible, vinculada al nombre de su titular, permite identificar la edad de la persona, y determina justamente la identificación de dicha persona para efectos fiscales. Por lo tanto se considera información clasificada como confidencial, atendiendo al acuerdo de clasificación UAEM/CI/CIC/0036/19.

(3) Eliminado. Nombre.

Fundamentación: artículos 3 fracciones IX, XII, 122, 132, 143 fracción I y 149 de la Ley de Transparencia y Acceso a la Información Pública del Estado de México y Municipios así como los artículos 4º fracciones XI y XVI, 15º y 40º de la Ley de Protección de Datos Personales en Posesión de Sujetos Obligados del Estado de México y Municipios, y demás disposiciones relativas y aplicables vigentes.

Motivación: En lo relativo al nombre es prudente considerar que este otorga identidad e individualidad a la persona, sobre la cual se debe tener respeto y protección. Los datos que identifican a la persona, como los que se asocian a su identidad, son propiedad de cada individuo. Por lo tanto se considera información clasificada como confidencial, atendiendo al acuerdo de clasificación UAEM/CI/CIC/0036/19.

COTEJO

La que suscribe M. en H.P. Miriam Sierra López, servidora universitaria habilitada de la Dirección de Programación y Control Presupuestal de la Universidad Autónoma del Estado de México, hace constar que una vez cotejado el presente documento es copia fiel del que obra en los archivos de esta Dirección, mismo que consta de trece fojas útiles por ambos lados y una foja útil por un solo lado, se expide la presente para los efectos legales procedentes; en Toluca, México a los diez días del mes de octubre de dos mil diecinueve.
